About Calgary Pro Musica and the Dick Matthews Young Artist Development Program

The Calgary Pro Musica Society Young Artist Development Program is intended **to discover, nurture and promote young Calgary musicians**. The resources of CPM allow us to offer unique opportunities in individual instruction, performance and career development for emerging musicians in Calgary. We are looking for players with outstanding talent and a serious commitment to developing themselves as well-rounded musicians. Participants in the Program will receive exclusive instruction from the CPM visiting artists, be presented in a fully sponsored and publicized CPM concert and prepare and perform a series of school concerts with CPM Education Director. We will also provide scholarship support to the winning individuals or pre-formed ensemble. Scholarships will be used to fund the student's regular individual instruction. Depending upon the audition results, there will be 2 to 5 students in the program per season.

The Calgary Pro Musica Society is a registered non-profit chamber music presenter with the mandate **to promote chamber music in the city of Calgary and region**. We believe chamber music can enrich the lives of Calgarians and help develop talent in our youth. CPM presents two Subscription Series of the finest chamber ensembles in the world. Recent performers include the Parker Quartet, Ensemble Caprice, Alexi Kenney & Bridget Kibbey, Maxwell Quartet, Stewart Goodyear, Marmen Quartet, Phaeton Trio, Thalea Quartet and Afiara Quartet. CPM also presents performance classes, lectures, family concerts and other educational events through its Talmon Hertz Legacy Series.
